

Dance Group To Present "The Christmas Story"

Speech Chorus Will Assist In Giving Four-Scene Workshop Production

The Dance Group at the college, directed by Miss Mildred Caldwell, will present a Workshop Demonstration program of "The Christmas Story," Friday evening, December 8, in Palmer Hall.

An organ prelude of Christmas carols will precede the program, with Eva Love Wyatt, of Decatur, at the console.

The Speech Chorus, under the direction of Miss Ellen-Haven Gould, will assist the Dance Group throughout the entire four scenes.

"The Christmas Story" is divided into four central scenes, the first being entitled "And all went to be taxed." Taxpayers in this opening scene will be drawn from the Modern Dance classes. The second scene is called "There were shepherds." Shepherds and angels participating include: Marjorie McKemie, Allee Robbins, Kathleen Corsbie, Jean Farr, Mildred Lewis, Grace Sims, Elenora Stier, Frances Conley, Charlotte Meinwald, Mary Helen Moore, and Elizabeth Stanley.

The third scene features a Madonna, played by Edith Dees of Mobile. The Biblical theme of the third section of the program is "Blessed art thou among women." The entrance of the wise men—familiar characters in all the portrayals of The Christmas Story—is to be enacted by Sara Christenberry of Selma, Carolyn Raborn of Andalusia, and Jean Letson of Columbiana.

The Bell Chorus, composed of members of the Dance Group, will conclude the program with a rendition of "Glory to God." The chorus is composed of: Frances Conley, Sara Christenberry, Kathleen Corsbie, Edith Dees, Jean Farr, Jean Letson, Mildred Lewis, Marjorie McKemie, Charlotte Meinwald, Mary Helen Moore, Jane Pittman, Carolyn Raborn, Allee Robbins, Grace Sims, Elizabeth Stanley, Elenora Stier, and Flidera Tapia.

Staging chairman for the program is Frances Roberts; costume chairman, Mary Helen Moore; lighting chairman, Virginia Ingram; director Speech Chorus, Miss Ellen-Haven Gould; director Dance Group, Miss Mildred Caldwell; accompanist, Edna Hays.

This attraction is open to students and townspeople alike, and all are invited to come.

Citizenship Program To Be Presented

Dear Citizen:

The State of Alabama welcomes you as a voting citizen. Alabama College and the Montevallo P. T. A. invite you to a program in your honor on Thursday, December 14, at 11 o'clock, in Palmer Hall. We are asking you to assemble in the foyer of Palmer Hall at 10:30 in order that you may participate in the processional.

An outstanding speaker has been secured for the occasion and we are looking forward to your presence at this meeting. Your parents and friends are urged to attend this meeting also. — J. L. Appleton, Chairman, Citizenship Committee.

Mr. Mahan Attends Birmingham Dance

In "The Scribblers Take Note," the Birmingham News reports:

"The prize part yof the season was given Wednesday night by Warren and Reuben Streidinger for Warren's debutante sister, Jeane Barber. In the form of a barn dance the hosts entertained at the Hollywood Stables, which turned out to be the perfect spot for that type of party, rustic to the nth degree, with a tremendous fireplace taking up the entire end wall.

"A professional caller came up from Montevallo to teach all the guests to square dance, Virginia reel, and many another old-time lasses will have to do a lot of practicing before they can qualify as experts in that field of dancing. Many a debutante lost her dignity with a slip of her foot and went sprawling to the floor in blushing fashion."

The article quoted above does not name the "professional caller" from Montevallo. However, it had an artist's pen sketch of the person, and to all who saw it, there was no trouble in identifying him as none other than the justly famous square dance authority, Mr. Red Mahan.

No doubt, if those young folks tried to keep pace with Red's set-calling, many of them got their pictures "drawn" on the floor.

Mrs. McCartney Is Guest Of Alabama College

Leader of Women's Clubs To Speak at Convocation In Palmer Hall Today

Mrs. F. A. McCartney, of Anniston, president of the Alabama Federation of Women's Clubs, will be the featured speaker at an extraordinary convocation Thursday at 12 o'clock in Palmer Hall. Mrs. McCartney will be the honored guest of the college throughout the day, and a tea will be given for her from 3:30 to 5:00 p.m. in West Main Parlor to which members of the Study Club and Studiosis Club are invited.

Studiosis and the Study Club are two of the hundreds of women's clubs embraced by the State Federation over which Mds. McCartney is president.

Credit is being given to Mrs. McCartney by educational leaders and public men throughout the state for the part she has played in inaugurating the observance this year of Citizenship Day. Joining with the Alabama Education Association, the Federation of Women's Clubs, under Mrs. McCartney's leadership, has instituted a vigorous campaign to see that Citizenship Day is celebrated in every school and community in Alabama on the state's birthday, which is December 14.

In her last appeal for full observance, Mrs. McCartney said:

"For many years the Department of American Citizenship in the Alabama Federation of Women's Clubs has met definite needs in training for citizenship, as well as training in citizenship. The strength of our future democracy rests upon the interest in and interpretation of good citizenship. The General Federation, our great Mother organization, in convention assembled in San Francisco in May, 1939, passed a resolution urging the general celebration of Citizenship Day as a recognition of youth coming into its majority. The Alabama Federation feels that this is a most timely and significant step, and we are pleased to join with other state organizations in the observance of this special Citizenship Day, Alabama's birthday, December 14."

Taylor Hardy To Direct University Play

University, Ala.—Taylor Hardy of Newala, a student in the University of Alabama, will direct "Old Lady Fate," a production to be presented by Blackfriars, college dramatic society, on the evening of December 11.

A modern comedy written by Margaret Harton, graduate student at the University from Sapulpa, Oklahoma, "Old Lady Fate" deals with the trials and tribulations of a small town minister's daughter and the way in which her father cleverly foils the mechinations of a city slicker.

The farce, an original production, is presented for the first time with student director, Taylor Hardy, and is termed a workshop play. This means that the entire production is student staffed and used as training for the major Blackfriar players.

THE CENTREVILLE HIGHWAY

Last week the Centreville Press had a long story telling about various phases of Bibb County's negotiations with the State Highway Department for paving Highway 25 from Centreville to Montevallo.

We are glad to have the assurance of The Press that the road will be paved in a short while.

Highway 25 is an important artery to Centreville, Bibb County; also to Montevallo and Shelby County. Moreover, it is one of Alabama's most important cross-state roads, extending from the Gadsden-Anniston district to Tuscaloosa.

The road is already hard-surfaced as far west as Wilton. From Centreville toward Tuscaloosa it is a part of the proposed University Highway from Tuscaloosa to Montgomery.

AN IMPORTANT ROAD IS BEING IMPROVED

Montevallo is pleased to observe the improvement which is now in progress on the Jemison cut-off from its intersection with the Calera Highway to the Shelby-Chilton line.

Many curves in the road are eliminated, new and wider grades are built. This job will put Shelby County's part of the cut-off up to the standard of Chilton's part.

Best of all, it will prove an incentive for more traffic into Montevallo from a rural section that heretofore has had better roads beckoning in the other direction.

The new project also very greatly minimizes the hazard that has heretofore existed where the cut-off enters the Calera Highway. At the place where the recent Kirk Lucas and Reuben Lowe car collision occurred it is now possible to see far enough ahead to avoid such accidents.

Thanks, Mr. Tatum. Pave it as soon as possible.

COTTON REPORT SHOWS CROP SHORT THIS YEAR

The census report shows that 3,989 bales of cotton were ginned in Shelby County from the crop of 1939 prior to November 14, as compared with 5,333 bales for the crop of 1938.

The report is by Gordon Mooney, special agent of the census bureau for Shelby County.

ALABAMA POWER COMPANY PAYS REGULAR DIVIDEND

Birmingham, Ala., Nov., 24—The Board of Directors of Alabama Power Company on November 17 declared the regular quarterly dividends, totalling approximately \$552,000, on its \$6 and \$7 preferred stock, payable January 2, 1940, to stockholders of record December 13, 1939. Action on the \$5 preferred stock, dividends on which are payable February 1, was deferred until January.

Of each \$1 paid for gasoline at service stations, only 71 cents actually goes for motor fuel. The other 29 cents is taken by the tax collector. This amounts to a 40-per-cent sales tax levy.

Misuse of automotive tax funds for purposes other than road building is robbing farmers in several states of better roads, according to a resolution adopted by the National Grange.

"Cotton Christmas" Is Urged By National Cotton Council

Memphis, Tenn., Nov. 30—Adopting the slogan, "Give Cotton—the King of Gifts," the National Cotton Council announced today that it was enlisting the support of shoppers, merchants, and the press in making the 1939 Christmas shopping season the biggest cotton sales month of the year.

The Council stated that its Cotton Christmas campaign would extend into each of the 850 counties of the Cotton Belt, with its county units cooperating with merchants, civic clubs, city and state governments and individuals to make the program a success.

"There is no reason why the sale of cotton goods should lag behind others during the Christmas shopping season," a Cotton Council spokesman said today. "Manufacturers of cotton goods ranging from dresses to automobile seat covers are offering more attractive products than ever before."

"The list of cotton products suitable for Christmas gifts is so long and varied that no shopper need be fearful of duplications when he or she makes out the family gift list."

Pointing out that the Cotton Christmas plan offers great opportunities for a large volume of cotton goods sales, the Council said that should every person in the Belt doing Christmas shopping this year buy one cotton gift more than usual, the sales of cotton products would be boosted by millions of dollars.

"Every time a person buys a cotton article for Christmas he is buying just that much prosperity for himself and the people of the American Cotton Belt," the Council declared. "It is an opportunity for cotton people to lift themselves by their own bootstraps."

"This year has been a banner year for sales of cotton. Since early spring mills have been running to capacity turning out scores of fine cotton articles. By joining together to make this a Cotton Christmas, we of the Belt can make history for King Cotton."
